20

A young boy with dark skin and short black hair is looking upwards and to the right with a focused expression. He is holding up his right hand, showing three fingers, as if counting. He is wearing a blue and grey long-sleeved shirt. The background is a blurred classroom setting with a green chalkboard and other students in the distance. The text "Keep counting!" is written in white in the upper right corner. A red decorative shape is at the bottom of the page.

Keep counting!
